

PEANUT BUTTER O/S

DESCRIPTION

Peanut Butter O/S is a taste enhancer to be used in deer feed formulations.

APPLICATIONS

Add Peanut Butter O/S to deer feed formulations (and other appropriate animal rations) to improve palatability and acceptance.

FEATURES AND BENEFITS

Peanut Butter O/S is an economical taste additive that is easy to blend into deer and other feed formulations. A consistent, strong flavor allows for a wide variation in feed ingredients. In addition, you and your customers will appreciate the long-term stability of this product.

RECOMMENDED FEED BLEND

Use 4 to 8 ounces of Peanut Butter O/S for each ton of feed.

INGREDIENTS

Peanut Butter O/S is a blend of vegetable oils, peanut oil concentrates, natural and artificial flavors and TBHQ (to preserve flavor).

APPEARANCE

Peanut Butter O/S is a light yellow fluid.

COMPATIBILITY

It is safe and effective with all ingredients normally used in animal feeds.

PURITY

It is manufactured and sold in strict compliance with the U.S. Food and Drug Administration's standards for purity and quality.

PACKAGING

This formulation is sold by the pound and is available in quantities from 50 to 450 lbs. All containers are clearly labeled as to product name, ingredients and recommended directions for use.

For further details, consult your Agri-Flavors representative or call the factory direct.

*Optional packet sizes available upon request.
