PIG FLAVOR EXTRA 792

DESCRIPTION
Pig Flavor Extra 792 is a sweet flavored supplement which improves the acceptance of all animal feeds.

APPLICATIONS
Especially valuable in calf and pig starter feed stocks, Pig Flavor Extra 792 makes animal feeds more palatable and acceptable.

FEATURES AND BENEFITS
Pig Flavor Extra 792, in either dry or liquid form, is easy to use and blends well into all feed mixtures, allowing for a wide variation in feed ingredients. One pound of Pig Flavor Extra 792 replaces the sweet taste of approximately 100 pounds of sugar.

RECOMMENDED FEED BLEND
Dry - Use 1 to 2 pounds per ton of feed to achieve the sweetening effect of 100 to 200 pounds of sugar. **Liquid (O/S) -** Use 4 to 8 ounces per ton of feed. **Liquid (W/S)** - Use 4 to 6 ounces per ton of feed.

INGREDIENTS
Dry - Pig Flavor Extra 792 is a blend of vanillin, maple, anise, other natural and artificial flavors, natural and artificial sweeteners, roughage products, attapulgite clay and TBHQ (to preserve flavor). **Liquid (O/S)** - Contains vegetable oil, other natural and artificial flavors and TBHQ (to preserve flavor). **Liquid (W/S)** - Contains propylene glycol, berry, other natural and artificial flavors and TBHQ (to preserve flavor).

APPEARANCE
Dry - Is a straw-colored, finely-textured, free-flowing granular material. **Liquid** - Is a wheat-colored liquid.

COMPATIBILITY
It is safe and effective with all ingredients normally used in animal feeds.

PURITY
It is manufactured and sold in strict compliance with the U.S. Food and Drug Administration's standards for purity and quality.

PACKAGING
Dry – Standard packaging for dry-formulations is a 50-lb. Bulk bag. Products can also be packaged in a range of 1 to 2 ½ lbs. heat-sealed packets upon request. **Liquid –** This formulation is sold by the pound and is available in quantities from 50 to 450 lbs. All containers are clearly labeled as to product name, ingredients and recommended directions for use.

For further details, consult your Agri-Flavors representative or call the factory direct.
*Optional packet sizes available upon request.
